

PIZZA BY THE BAY

⁶⁵ We started out in 1968 as Talk Of The Town offering a combination of live music with good food and drinks for over 28 years! With the changing times in 1994, we evolved into The Pizzeria and Jazz By The Bay for an amazing 17 year run! Having served over a million pizzas, we've taken the best of Not Just Jazz By The Bay and The Pizzeria, to create Pizza By The Bay!

Hand rolled fresh pizza dough baked to crisp perfection, our signature blends of cheese and the secret recipe homemade fresh tomato sauce - all free of artificial preservatives - make our pizzas uniquely tasty.

They say constant innovation is the best form of success... honestly, we feel our secret lies in our passion for our food and desire to serve you better!! Thank you for making our pizza the talk of the town!⁹⁰
