*Every day of the week!*

66 We started out in 1968 as Talk Of The Town offering a combination of live music with good food and drinks for over 28 years! With the changing times in 1994, we evolved into The Pizzeria and Jazz By The Bay for an amazing 17 year run! Having served over a million pizzas, we've taken the best of Not Just Jazz By The Bay and The Pizzeria, to create Pizza By The Bay!

Hand rolled fresh pizza dough baked to crisp perfection, our signature blends of cheese and the secret recipe homemade fresh tomato sauce - all free of artificial preservatives - make our pizzas uniquely tasty.

They say constant innovation is the best form of success... honestly, we feel our secret lies in our passion for our food and desire to serve you better!!

Thank you for making our pizza the talk of the town! <sup>66</sup>

*We make a living  
by what we get  
but we make a life  
by what we give.*

At the Mars Group, we measure our success not only in terms of profits, but also on how we can improve the lives of those less fortunate than us.

Through our collection program we have collected and donated over 90 lacs to organizations such as Apnalaya, Sneha, Sahai and CRY. Our newest initiative is the formation of the Lotus Trust, through which we match your donations and execute projects to reach out to those in remote areas of the Himalaya. To-date we've contributed almost 4 crores towards rebuilding a community hospital, a place of worship and various other community initiatives. Should you wish to know more about our contributions and initiatives, please write to [lotus@mars-world.com](mailto:lotus@mars-world.com).
